MEMORANDUM

To: Sawmill Cove Industrial Park Board of Directors (SCIP Board)
From: Garry White, Director
Subject: CBS Future Needs at the SCIP

The CBS has plans to expand the Blue Lake Dam in the near future. Both the Electrical Department and the Public Works departments will have future needs at the SCIP. The intent of this agenda item is to allow representatives from both departments and the SCIP Board to understand what the CBS need is for space, infrastructure and buildings usage in the future.
